IT

I moduli di Bomm si combinano e ricombinano con semplicità e senza vincoli per offrire una rilassante seduta in una zona lounge o una postazione di lavoro informale in uno spazio outdoor dove condividere idee e creatività. La gamma Bomm offre la possibilità di creare e ricreare infinite configurazioni combinando 9 diverse strutture in tubolare di acciaio a 6 moduli seduta, con o senza schienale, e 3 moduli tavolino. Un sistema facile da configurare e da adattare alle più diverse esigenze di spazio e di utilizzo. La collezione si completa con una serie di accessori funzionali: tavoletta girevole, appendiabiti e prese USB a scomparsa.

EN

Bomm modules combine easily creating many different configurations suitable for lounge or working areas as well as for an outdoor informal meeting. The Bomm range offers the possibility to create an infinite number of configurations by combining 9 different tubular steel structures with 6 seat modules with or without backrest and 3 table modules. A system that is easy to configure and adapt to different space solutions. The collection is completed with a series of functional accessories: revolving tablet, coat rack and hidden USB sockets.

DE

Die Module von Bomm lassen sich einfach und zwanglos kombinieren und neu zusammenstellen, um einen entspannenden Sitzplatz in einer Lounge oder einen informellen Arbeitsplatz in einem Außenbereich, aber auch einen Treffpunkt zum Austausch von Ideen und Kreativität zu bieten. Das Programm Bomm bietet die Möglichkeit, durch die Kombination von 9 verschiedenen Stahlrohrstrukturen mit 6 Sitzmodulen mit oder ohne Rückenlehne und 3 Tischmodulen unendlich viele Konfigurationen zu schaffen und neu zu gestalten. Ein System, das sich leicht konfigurieren und an die unterschiedlichsten Raum- und Nutzungsanforderungen anpassen lässt. Vervollständigt wird die Kollektion durch eine Reihe von funktionellem Zubehör: Drehtisch, Garderobe und verdeckte USB-Steckdosen.
