

## Cell128

The Dorigo design seating system, featuring the original extra-height back, designed for discretion and relaxation. Cell128 offers private moments of solitude, precious for a pause or an unexpected work session. An elegant coffee table, with rotating top and support, adds to the comfort of the decor, with possible customisation with a pop-up USB charger.

### Projects

**Orgatec**, Colonia, Germany (2014)
