Cell75

Conference halls, waiting rooms, transit areas. A seat classed as comfortable has to accommodate users ergonomically and tastefully, becoming an essential and at the same time invisible support. Cell75 (Dorigo Design) is the range of small armchairs and sofas, a simplified version of the Cell128 collection, ideal for contract and large reception areas. It is available with base or legs, in wood or steel finish.

Projects

Workplace 2015, Milano, Italy (2015)
Dr Franz Scheneider SA, Spagna, Spain (2017)
