

## Grace

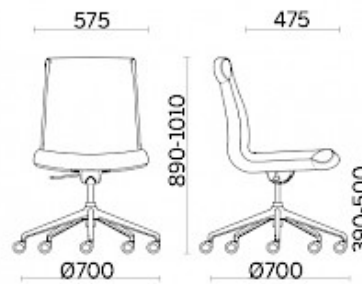

Le design et ses éléments offrent ici des compositions sur mesure, en fonction des besoins en termes d'espace et d'esthétique. Grace, design Sergio Bellin, est un siège aux multiples facettes, capable de changer de style grâce à ses bases et à ses pieds modulables en termes de fonction, de finition et de ligne. De nombreuses chaises en une, avec la possibilité de personnaliser les détails comme les finitions et les teintes en créant un mobilier qui s'adapte à chaque contexte.
